

PROGRESS REPORT 2013

Pastor Leo & Ministry Team- Fiji Islands

ASHAL MISHRA- DIAGNOSED BRAIN TUMOR

Ashal brain Tumor healed- Faith is a substance the ancient scriptures declare and Ashal a young man that had been diagnosed with a brain tumor has taken a hold of that substance called faith and turned it into LIFE and hope for himself!!

In October 2012 Ashal Mishra was flown home to Fiji from Canada (studying on a scholarship) as there was nothing the doctors in Canada could do for the young man. Infact they gave him a grim prospect at life after treating him with radiotherapy for 7 weeks in Hospital. Doctors said he realistically only had a slim chance of living and there was nothing else they could do for him ...best they thought he go home to his family before his certain departure, they presumed !

A family friend sought help for Ashal. What happened over the next 4 weeks was truly remarkable...

See Appendix for full story

Ashal 21 yo with brain tumor given slim chance to live

Healed through faith in a few weeks, now back at University....

INTRO & BIO

Pastor Leo and his Minister's work is based upon a 30+ year foundation of non denominational Missionary works around the world. It was born out of this heartfelt desire to see people set free by the power of goodness (God).

The dedication stems precisely from the fact that those that have been transformed personally because of a major need in their lives (ie: through sickness, poverty, financial, emotional hardships etc..) by outworking their developed faith in the life principles of God, have experienced life changing results and thus decided to commit their lives, trade skills etc.. to help those in need in the South Pacific ...

MINISTERS - PS R.LEO & RELIGIOUS MINISTERS
FOUNDATION - NON DENOMINATIONAL - BASED ON HOLY SCRIPTURES
MODUS OPERANDI - GODLY LOVE REGARDLESS OF CIRCUMSTANCE
RESULTS - COUNTLESS HEALTH, ECONOMIC, EDUCATIONAL, SOCIAL TRANSFORMATIONS IN SOUTH PACIFIC AND WORLDWIDE..

HISTORY

The collective collaborative effort of the Ministers and Team has produced effective and powerful results that has transformed countless lives worldwide in Oceania, US, Europe and Asia. You will know them by their fruits Matthew 7:16

Activity Report

Ministry to Produce Results (good fruit) ...

The Lord declared in the Holy scriptures *Matthew 7:16 You will know them by their fruits. A good tree cannot bear bad fruit nor can a bad tree bear good fruit* - thus you will know them by their fruits.

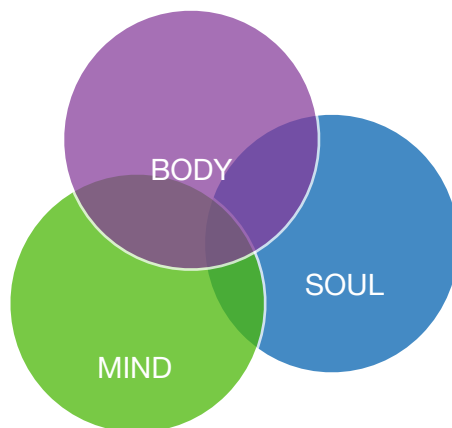

It is with great delight that we present this Activity Report on the humble but amazing work of what the power of goodness or unconditional love (which is God's Spirit in man) is achieving in this blessed country of Fiji. The activities are an extension of over nearly 60 years collectively of its Ministers, in world wide ministry. The results of what the Spirit of God (goodness) is achieving is truly remarkable indeed. No-one man can take the glory it is the Lord Jesus Christ through the Holy Scriptures and His wisdom and knowledge that receives all credit for these results.

Through prayer, sanctification and dedication to a selfless and sacrificial life for others with a desire to see people set free, literally scores of people have had life changing experiences through the tireless work of the Ministers, local volunteers, supporters, prayer teams and well wishers around the globe.

All it takes is a mustard seed of faith to believe and to act upon what one believes - and the results are evident....

May you be blessed by just a sample selection of the countless amount of real life testimonies of overcoming that God by His Spirit of wisdom and knowledge has done...in transforming peoples health (lowering NCDs in a tangible way), transforming their livelihoods, social and family situations...by the grace of God.

Vinaka Vakalevu and May the Lord bless this land in the middle of the Pacific (land of peace): The Fiji Islands ...

As the mind body and soul aligns itself to God's wisdom and His goodness, transformations happen...

Road Map

Objectives

The objectives are to fulfil the aims as declared in the Holy Scriptures as set down in the NKJV Holy Bible and by the Holy Spirit of God- to promote kindness, mercy and co-operation for an active relationship with God (ie: to release the power of goodness in man's heart and encourage others to do the same for their fellowman) – through the activities of missionary works, Bible teaching and various activities (as the Government permits) in helping the Fijian residents develop spiritually, morally, economically and socially, to their fullest potential.

Our aim is to provide support **spiritually** (prayer, teachings, on the field ministry, faith education etc....) and **materially** (trade skilling, life skills, poverty alleviation, means for rehabilitation & health/moral education etc...) in order to achieve positive humanitarian outcomes through various means to reinforce moral standards in society based on that of godly principles to foster peace, stability and prosperity through a heart of servitude.

In engendering a Humanitarian Spirit in communities of peoples regardless of religious persuasion, colour or creed etc...and in seeing TANGIBLY what the awesome power of unconditional love (ie: God within man) can do to restore HEALTH, FINANCES, FAMILIES, COMMUNITIES, COUNTRIES and ultimately MANKIND....this fulfills what the Lord came on this earth to do.... *To go into all the world and heal the sick, cleanse the lepers, raise the dead.. (Matthew 10:8)* to encourage and release the enormous power of goodness within mankind's heart to be motivated to bless one another, to heal mankind's ills and encourage others to do the same and pass it on ...one person at a time one day at a time ! ...

- Such aims seek to produce outcomes of:
 - Promoting a spirit of Co-operation and Stability for Good Governance within the country
 - Foster an effective Nation State through moral education to develop a loving community of parents, ministers, students and community workers reflected in developing a sound moral code or basis of faith to be motivated to do good (ie: which is to promote God's goodness in the heart of mankind)

Vision & Mission

VISION

Our Vision - is to encourage the valuable human resource within mankind called GOODNESS to facilitate various areas of development for those less fortunate or in a hopeless state + encourage those that have developed and received the benefits, to perpetuate selfless help for others = to advance humanity's future.

Our Vision is to see the non-denominational message of freely helping one's neighbour transform their lives out of various forms of poverty, sickness and hopelessness, through the selflessness of the Ministers who facilitate various Health, Educational, and Social projects in Fiji and the South Pacific. We seek to empower those who believe in the goodness of God extended through the hand of man, develop spiritually and materially in order to pass onto others in need, what they have learned. These are obviously long term goals that need nurturing but it requires a start and that start is a seed in the heart of mankind that as it is fed living waters, will grow and produce fruit that is everlasting...

MISSION

Our Mission is one to spread the good news and hope of God through teaching Life Principles and instilling a moral code of GOODNESS through various activities of Charitable **Health, Educational, and Social Development Projects** - being the fundamental core of our Ministerial functions. Using the resources at hand the missionary works seek to facilitate the advancement of the Fijian and South Pacific peoples in their spiritual and economic development for self-determination.
